

### Main Features:

- 15" Display
- complete system
- flexible variants

## 15" Panelmount Monitor

The 15" Monitor inspires by its complete panel mount LCD system. Its stable design is especially for the machine industry it is the ideal solution for system integrators. Flexible, optional variants permit an ergonomic and economic integration into your machines. By adaptability and maximum capacity fulfils the 15 "PMM your requirements.

### It is suitable for the following applications

- Maschine Control
- Terminals
- POI

## Data 15" PMM

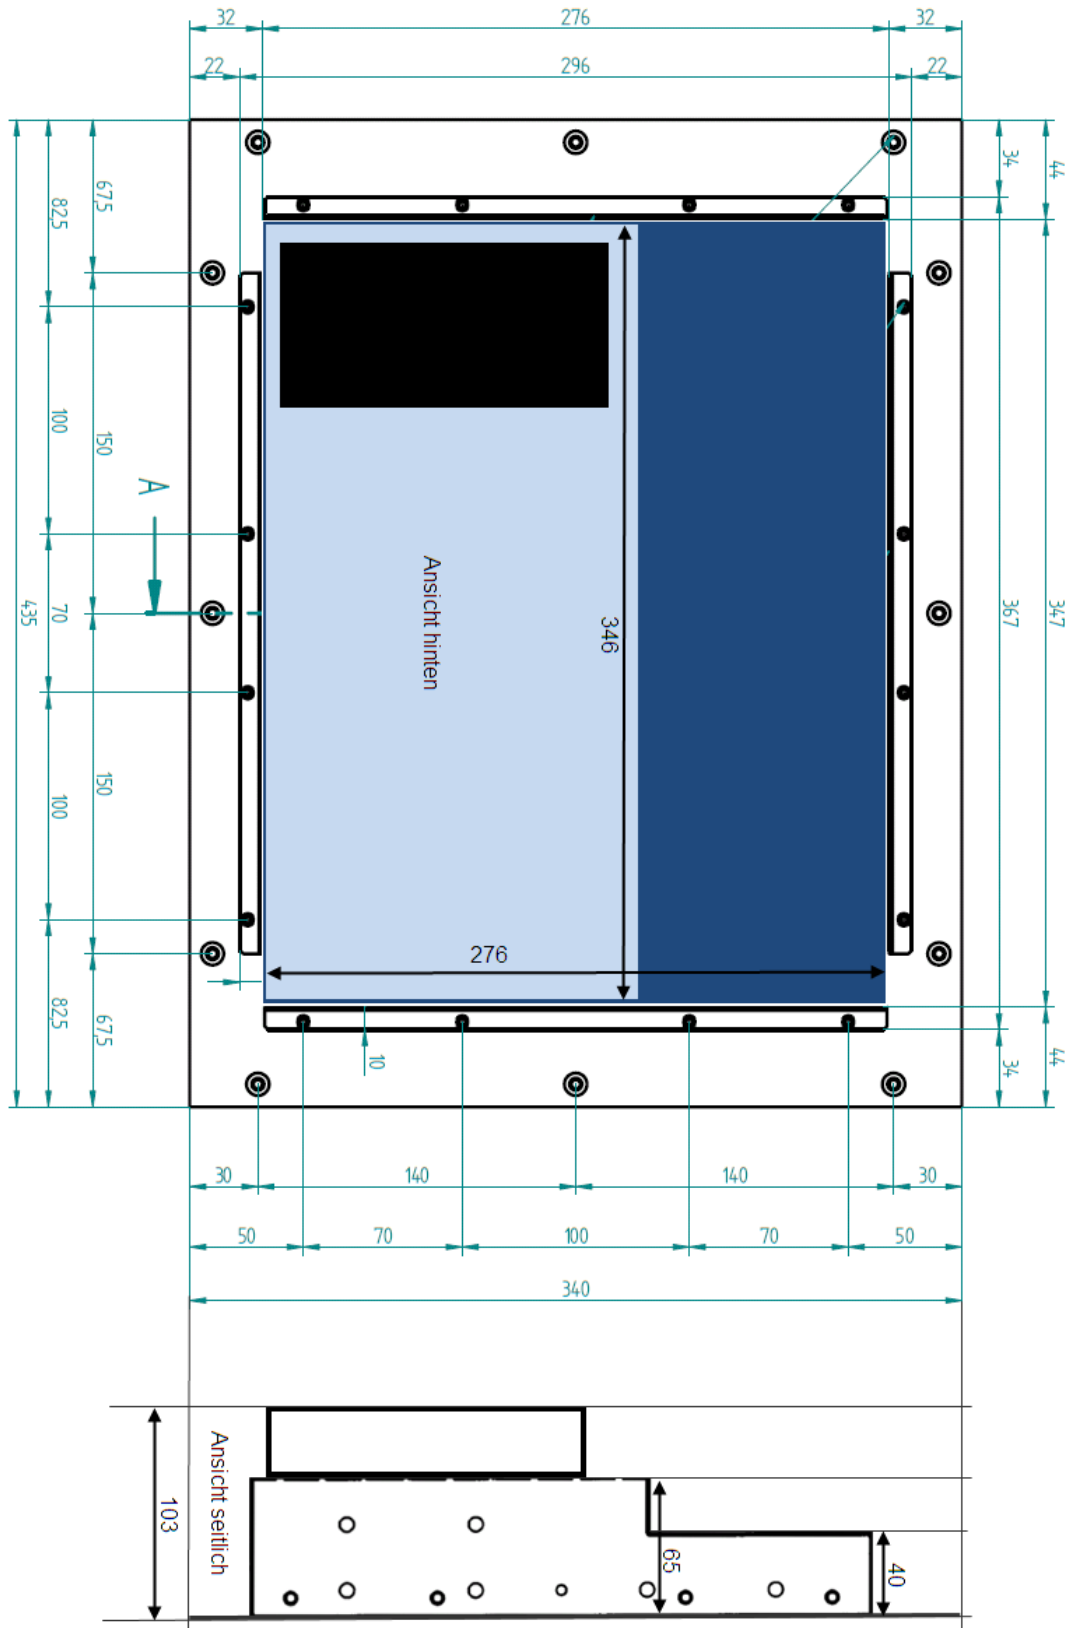

<b>Monitor</b>	<b>Display model</b>	<b>Chunghwa CLAA150XP 01</b>
	Screen diagonal	15.0"
	Resolution	1024(H) x 768(V) Pixel
	Active area (mm)	304.1 (H) x 228.1 (V)
	Colour	16.2M (6bit)
	Brightness	250cd/m <sup>2</sup>
	Viewing angle	±70°(H) ±60°(V)
	Response time	16ms
	Operating temperature	0-50°C
	Contrast ratio	500:1
	Module Power	12.5W Typ.
	Electrical interface	LVDS
	VGA Controller model	R5U
	Signal input	VGA
	Monitor input voltage	12 VDC
	Front glass	2.3mm
Total power consum.	14W typ	
Total weight	5.6Kg	
<b>Options</b>	AMT Touchscreen	8wire resistive (USB/Serial)
	3M Touchscreen	capacitive (USB/Serial)
	Signal input	Video/ S-VHS
	Power input	24VDC
	Front colour	RAL7035/ RAL9005
<b>Accessories</b>	Power supply	110~ 220VAC/12VDC (50W)
<b>Order Infor-</b>	Article number	PRI-PMM.15RAR54010
