

# Panel Mount LCD

## Panel Mount LCD

**32"(16:9)**

### Specifications

**RoHS**  
COMPLIANT  
2002/95/EC

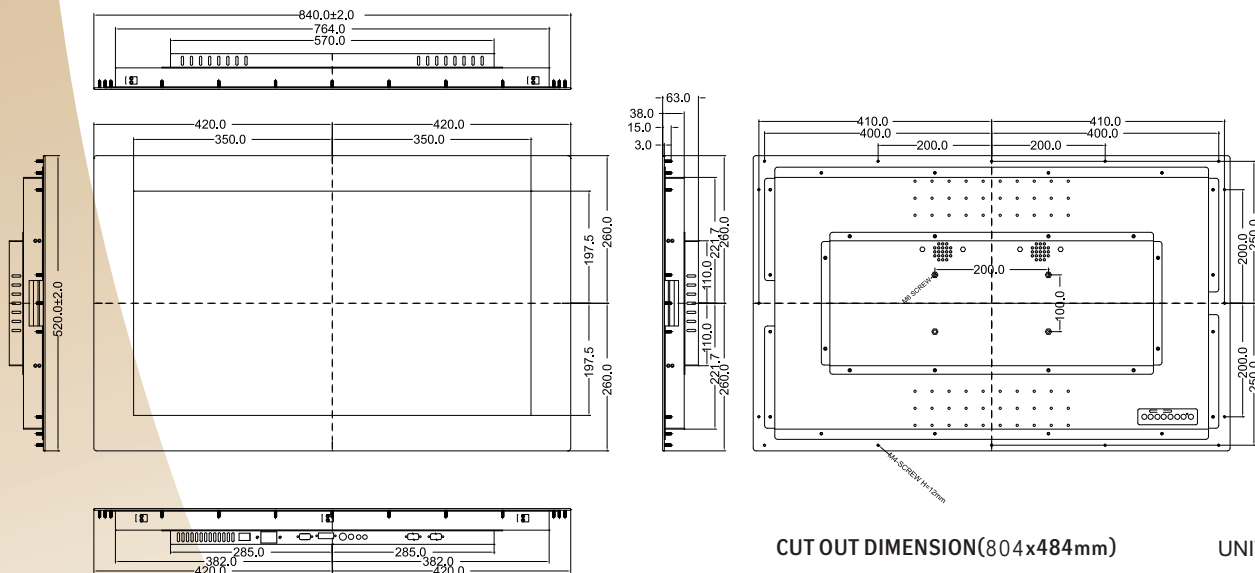

|                                |                                                         |
|--------------------------------|---------------------------------------------------------|
| Model Name                     | W32L300-PMA3                                            |
| Viewable Size Image            | 32"(16:9)                                               |
| Active Display Area(mm)        | 698.4 (H) x 392.85 (V)                                  |
| Pixel Pitch(mm)                | 0.3638                                                  |
| Number of Pixels               | 1920x1080                                               |
| Contrast Ratio                 | 3000:1(typ.)                                            |
| Display Color                  | 16.7M(8bit/colors)                                      |
| Brightness(cd/m <sup>2</sup> ) | 350(typ.)                                               |
| Viewing Angle(CR>=10)          | -89~89(H);-89~89(V)                                     |
| Synchronization Range          |                                                         |
| Horizontal/Vertical            | 47~63KHz / 60~73Hz                                      |
| Recommended Resolution         | 1920x1080@ 60Hz                                         |
| Signal Connector               | 15 pin D-Sub                                            |
| Power Source                   | DC 24V in, with External AC to DC Adapter (100~240V AC) |
| Power Consumption              | 75w typical,normal,operation                            |
| Power Management               | VESA DPMS Compliant                                     |
| Plug & Play                    | VESA DDC 1/2B                                           |
| Optional Video Input           | S-Video/ Composite                                      |
| Optional DVI Input             | Yes                                                     |
| Optional Touch Screen          | SAW                                                     |

Remarks:W32L300 series= VGA input only

W32L340 series= VGA+DVI+AV+Audio input

\*Power built-in

### Mechanical Drawing

\* Note: this is a simplified drawing and some components are not marked in detail. Please contact our sales representative if you need further product information.
